

# Course Fees

## Tuition Fees

Tuition fees at NP are highly subsidised by the Singapore Government for eligible students under the Tuition Grant (TG) Scheme. For AY2021, the polytechnics will continue to adopt a cohort-based fee structure, which means that fees will remain constant for the entire duration of the course.

The Government will continue to absorb the GST chargeable on tuition fees payable by Singapore Citizen and Permanent Resident students. The tuition fees for International Students in AY2021 is inclusive of GST.

The table below shows the annual tuition fee payable by students enrolling in a full-time diploma course and who have opted for the Tuition Grant (TG) Scheme.
